The Manager Store. The First Reduction

In Women's Jackets.

SOMETHING like a thousand women have been waiting for this announcement. They need wait no longer.

Our clock is set fast. It strikes the hour for departure of goods long before yours marks the end of their time of usefulness. Hence, bargains like these, rich and seasonable.

The Spring jackets must out. First go the odd ones,—the ones and twos and threes of a kind. You may have to hunt a little for a fit, but you couldn't miss a bargain if you picked with your eyes shut.

One hundred and twenty-five jackets of the best styles we had this Spring, at Ten Dollars each. That's the story. Most of them were \$15 and \$18,

Black, tan and covert mixtures, all lined with silk throughout. Etons, Fly-front and Reefers. Now, of Suits. Twenty-seven tailor-made suits from Paris and Berlin designers, in the elaborate styles and exquisite finish characteristic of European tailors for women. Beautifully lined with novel and beautiful silks.
